I ----- (mention your name) resident of -----
(mention the location) is glad to connect with you over a discussion
of ----- (mention about the job profile). I am a big time
coffee lover and would love to be a ----- at Barista.

Since, our college days, I have always adored the atmosphere,
professionalism and a bit of quirkiness at Barista. The kind of vibe,
freshness and a sense of innovation motivate everyone visiting the
place. So, while pursuing my ----- (mention about the
course) I always dreamt of associating myself as a ----- with
Barista. I always wanted it to be the first place where I work and
learn and grow as a professional and as an individual too.

I hope that you will consider my application and I will be looking
forward to hearing from you soon about the detailed discussion and
further process.

Yours sincerely,
