- Generation 2:** Two boxes, each connected to a horizontal line that branches into two vertical lines, each leading to a box.
- Generation 3:** Four boxes, each connected to a horizontal line that branches into two vertical lines, each leading to a box.
- Generation 4 (Bottom):** Eight boxes, each connected to a horizontal line that branches into two vertical lines, each leading to a box.

The boxes are arranged in a symmetrical, branching pattern, with the central tree icon serving as the focal point. The boxes are white with black outlines and are connected by black lines.
